// Refund and Cancellation Policy

We appreciate your interest in being a part of the competition organised by Codin.Compete, a part of the broader Codin Global network.

We offer a money-back protection for all purchases made on our website. If you are not satisfied with the competition that you have registered at Codin.Compete, you can get a full refund of the registration fees. You are eligible for a full reimbursement within 24 hours from the time of your purchase. To cancel the registration, write an email to codincompetegmail.com from your registered email address mentioning 'Request for Refund' as the subject. The amount will be refunded using the same modality that you used while making the payment.

After the 24 hours period you will no longer be eligible and won't be able to receive any refund. We encourage everyone to deeply go through the competition brief which is freely available on our website before proceeding with registrations.

If you have any additional questions for any special cases requesting refund, feel free to contact us. Codin.Compete reserves the right to make final decision on refund requests in all the other situations apart from the 24hours money-back protection discussed above.

// Shipping and Delivery Policy

All our competitions and workshops are organised in an online modality. Once you have completed the registration and payment process, you will receive the information packet and your unique registration code digitally on your registered email. Since no physical goods will be sent, there are no charges or expenses related to delivery or shipping.

In case you lost the details or changed your email address, please reach out to us at codincompetegmail.com and will be happy to after relevant verification process.
